

YEAR END PROMOTION!

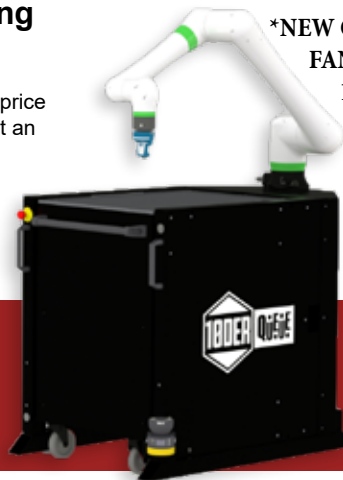

CNC Solutions is excited to offer year-end discount pricing on our 10DER product line.

Utilize Section 179 and bonus depreciation of the IRS Tax Code to deduct the full purchase price of qualifying equipment by purchasing and placing in service before 12/31/20 so you can get an extra 21% off with tax savings for an even lower effective purchase price!

This may be the last year you can use this!

Orders must be placed with us by Dec. 31, 2020.
